Where We'll Stay

Laguna Beach Christian Retreat

LBCR is a destination on the western end of Panama City Beach. Its white sandy beaches are quiet and lend themselves to a Christian Retreat setting.

Looks like a great place to have fun and practice rest.

What We'll Do

Sabbath Keeping

This retreat will focus on rest. We will have fun, but our Bible Study times will focus on what it means to keep a Sabbath and rest as a Christian.

Fun Options

One day we'll rent a pontoon boat and head to Shell Island, ride jet skis and parasail. We'll watch a movie at Pier Park and eat a nice dinner together. We'll play putt-putt and ride go-karts! We'll have a choice day when each person can choose their destiny!
